

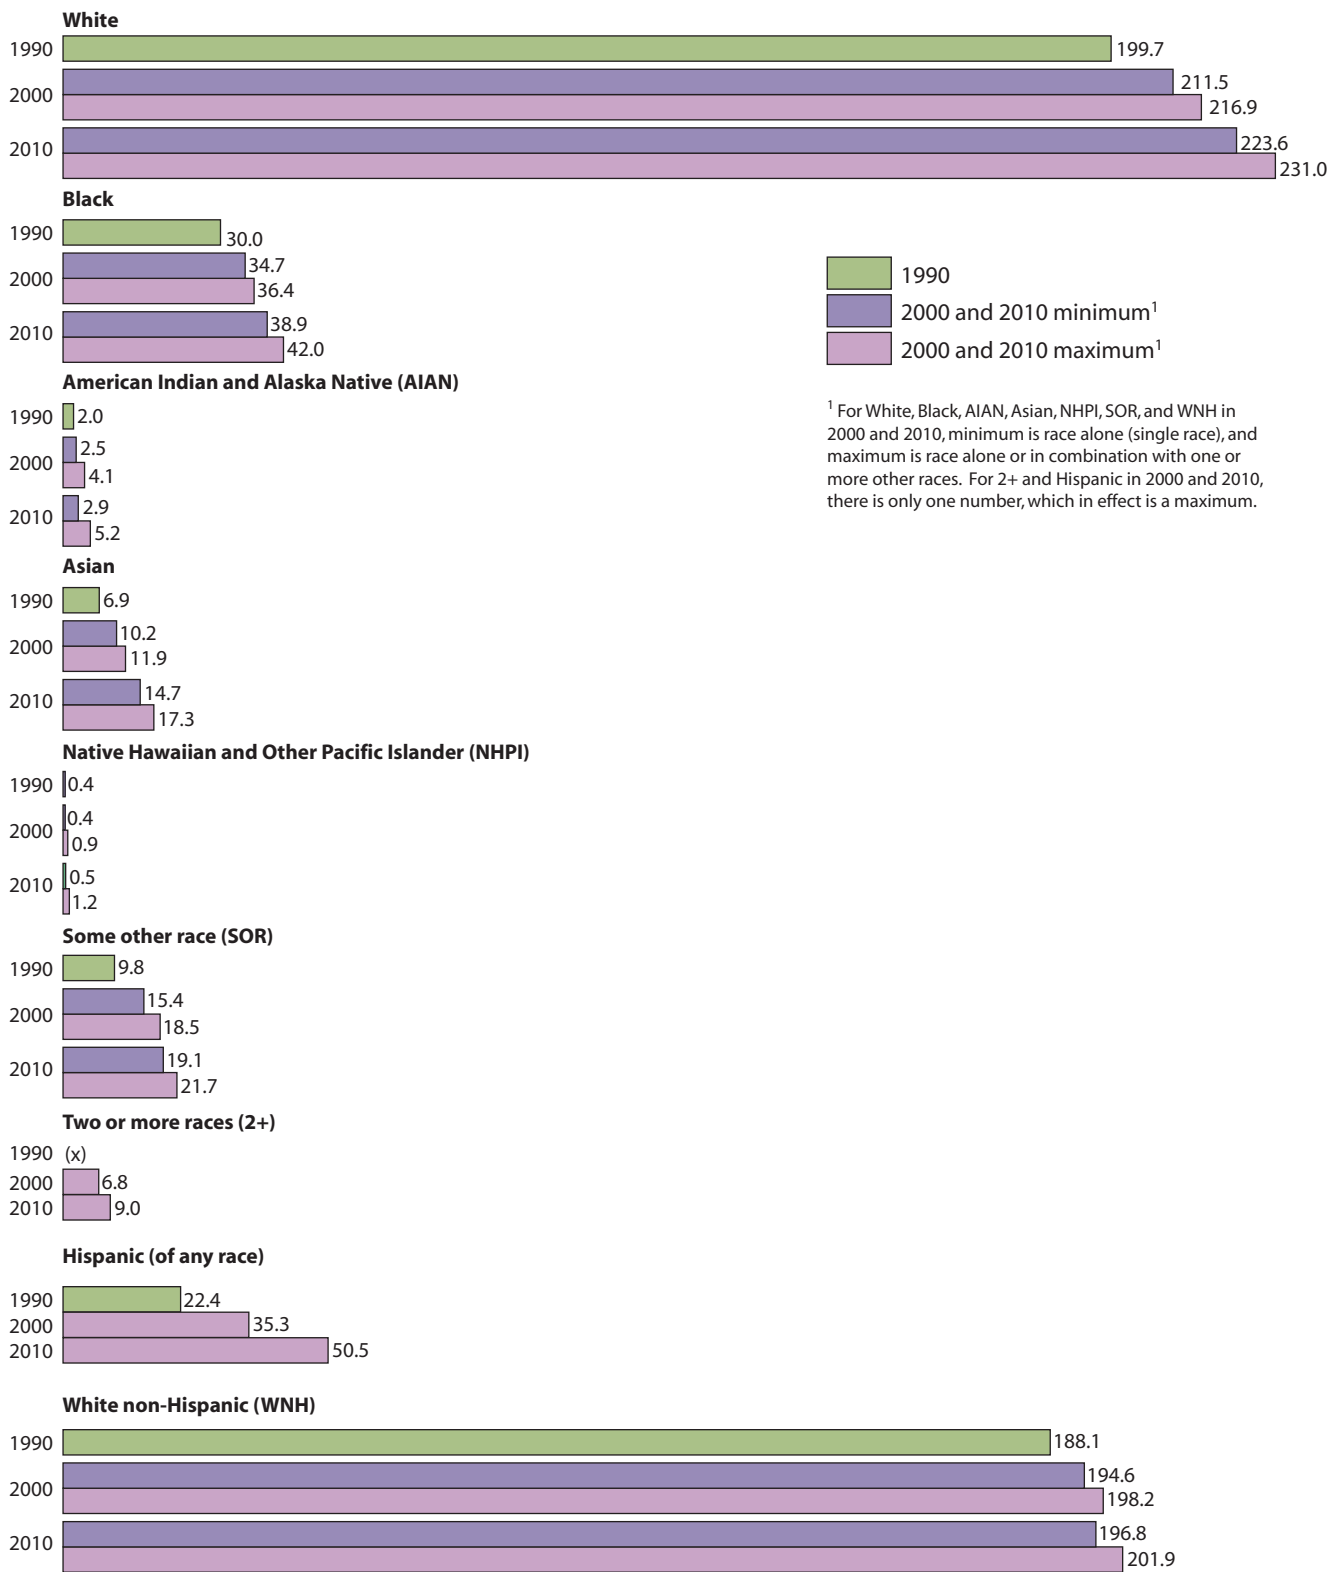

Figure 4-5.

Population by Race and Hispanic Origin for the United States: 1990 to 2010

(Numbers in millions)

¹ For White, Black, AIAN, Asian, NHPI, SOR, and WNH in 2000 and 2010, minimum is race alone (single race), and maximum is race alone or in combination with one or more other races. For 2+ and Hispanic in 2000 and 2010, there is only one number, which in effect is a maximum.
